BOMBING TRIAL ENDS

But Do We Know Any More Than We Did Two Years Ago?

After two years of waiting, the trial of Timothy McVeigh is finally over. The Colorado jury handed down a verdict of guilty on all counts. The judge would not allow the defense to present other conspiracy theories, which leaves many unanswered questions. Who was the other person that eyewitnesses saw getting out of the van? Why was there an extra leg found in the rubble? Did it belong to a bomber? Why were ATF agents not present at work that day? Why was the fire department notified about a bombing a week before the blast? How could a fertilizer bomb completely disintegrate concrete columns from that distance? Why was more than one explosion heard by witnesses and recorded on seismic charts?

There are simply too many questions and not enough answers.

Nevertheless, the Oklahoma bombing was a terrible tragedy in our nation. Innocent lives were lost and families forever changed. If McVeigh was the one that did that horrible act, he did a great disservice to the patriot movement, destroyed lives and took part in un-Christian revenge for the Waco tragedy. If he did the act, it makes a person wonder what the Godless military is teaching their soldiers. When a nation removes God from its society it also removes morality, good ethics and Christian-based laws. When judges are not allowed to have the Ten Commandments posted on their courtroom walls, and when children are not allowed to say a silent prayer in school, that nation is headed for judgment.

The prosecutor's theory was that McVeigh was so upset over the Waco siege, in which 100 men, women and children perished, that he decided to take revenge against a government target. They say that he thought the central command for the siege against the Davidians came from the Murrah Federal building. It was later discovered that it came from Houston. The government lawyers said that McVeigh wanted to start a civil war between the patriots and the federal government. McVeigh

has never answered these charges. But the heavy evidence, even though circumstantial, pointed straight at McVeigh.

The question many people ask is, how could bombing a building and killing people start a civil war wherein the patriots could theoretically win?!? Any intelligent person can figure out that if a federal building is bombed, the government is automatically going to strike back at the bombers, and the controlled media will exploit the situation to demonize the patriot movement.

(continued next page)

The entire concept of taking revenge against the government by bombing a building is irrational, illogical, unsound, unethical, un-Christian and un-American. If McVeigh did take part in the bombing, he had to have arrived at a mentality of "Us against Them." (This is one of the major faults of the patriot militia movement; the notion that confrontation is inevitable or the only solution. This is simply not true.)

If McVeigh believed that a violent act of retribution would galvanize the patriot community, he was dead wrong. The bombing, regardless of who was responsible, had just the opposite effect.

The conspirators for a New World Order want the citizens to react in anger and revenge. They want us to be irrational and violent. This gives them the justification to pass more laws against our freedoms and validates gun confiscation. If the enemy wants chaos, we should strive for unity. If they want civil war, we should strive for peace. Even though we have lost some rights with the Crime Bill, there is still time to stand for the Constitution, without violence. We can prove that the patriot citizen is not making the changes; we are simply standing for the Constitution - it is the socialist change-agents who are altering our form of government. It is the globalists who are handing our jobs to Third-World countries and destroying our sovereignty and FORCING US TO BE UNDER THE UNITED NATIONS WORLD GOVERNMENT. These are the facts we can reveal without violence. Revealing the truth is more powerful than bombs.

What can we do when a Waco-type siege happens? We can protest, educate the nation to the truth and continue to put pressure on the politicians to change laws and the rules of engagement against citizens. The system may seem slow to react, but it does work if we will exercise wisdom and patience.

The patriot movement has lost a little momentum because of the bombing, but it is still going strong. It is time to redouble our efforts to wake up America and tell them that Communism is not dead. It is alive and well in the push for a One World Government.

CHRISTIAN RESEARCHER LOOKS FOR 'DEATH' CAMP

A well known Christian research group, Jesus reigns Ministries, traveled to Montana to verify reports of a death camp. In their report they detail several eyewitness accounts of the camp, including sightings of barbed wire, guard towers, and train cars with shackles, and guillotines.

The investigation centered around Out Bank and then led to West Glacier. Several local residents recounted seeing foreign soldiers, seeing the train cars and seeing the shackles on the walls, and several other unusual activities. But, unfortunately the team was not able to get back further in the mountains because of the snow covered roads and the lack of funds.

The entire report is included in the July Info. packet, and includes never before revealed interviews with some of the insiders who have confirmed the existence of the guillotines and the concentration camps. Jesus Reigns Ministries also ties in the conspiracy with satanism and witchcraft, right from those who were previously practicing satanists, who rejected that false religion and became Christians. (To date no evidence of guillotines has been found. This is why checking these stories out is so important)

FEMA PLANS MASS EVACUATION

FEMA has a department that is called CRISIS RELOCATION. Its plan calls for the mass evacuation of millions of Americans. Executive orders from the President will allow the Federal Government to take control of businesses, banks, goods, etc. and commandeer all private homes, land and even food!

A terrorist threat, for instance, could effectively terrorize and mobilize the majority of U.S. citizens into willingly surrendering their freedoms. The fear of annihilation by possible nuclear bombs could be so persuasive that only a tiny number of citizens would put up the slightest resistance.

The forced evacuation of almost one-half of the entire U.S. population from the safety and security of their homes, will produce the desired psychological condition of mass fear. The forms of control will be presented as "security measures" to protect citizens from the enemy, when in reality it will be a government scheme to take control.

The network of management has already been established in every city, town and community. HOST areas are already designated. A citizen's handbook entitled IN TIME OF EMERGENCY has been printed. It can be obtained from the U.S. Government printing office, Washington, DC. #1977-0731-615

The West is floundering in the face of the most sophisticated, complex, multi-dimensional and concealed offensive of its existence. Having been put soundly to sleep, the Western nations are dreaming happily about a unified world, a world without war, a world enhanced by collective security. They do not understand that the 'friends' they are dealing with in the East, including the leaders of the 'former' Communist Bloc countries of Eastern Europe, are all dedicated Leninist revolutionaries whose single purpose is to destroy Western civilisation and erect a 'new order' - a Communist dictatorship - on its ruins. Ebola-like Virus Outbreak in the Dominican Republic

The following report was submitted by telephone to Tetrahedron, Inc. from local citizens of the Dominican Republic:

On the Northeast side of the Island, poor villagers and wealthy farmers alike are dying, apparent victims of a biological weapons attack. Trucks bearing the letters "CDC" were reported spraying a white smokey substance into the air surrounding the areas in question. To date, the international news community have failed to report anything on this outbreak.

From Boya' to San Piedro and San Cristobal, as close as 75km from Santo Domingo, the nation's capital, largely dissolved corpses are being carted off in body bags by gloved masked men in white infection control uniforms.

Beginning on Thursday, May 1, all traffic was stopped going in and out of this "hot zone."

All live stock and farm animals in these regions were observed lying dead.

CDC officials on the scene informed locals that the spraying trucks were being used to reduce the spread of lethal viruses.

A search of the Internet failed to reveal any mention of this outbreak. U. S. citizens and people throughout the world should be informed and warned that they too may be at risk for biological weapons attack. Independent scientific and congressional investigations into the role played by U.S. Government agencies in this and previous viral outbreaks is advised.

Army's anti-terror training is terrorizing U.S. cities

WASHINGTON POST SERVICE

WASHINGTON — A dozen U.S. Army Black Hawk helicopters, their lights out, descended from the night sky March 4 on a corner of Charlotte, N.C.

They swooped among the high-rise apartment buildings, then dropped dozens of special operations troops, some with their weapons blasting, into an abandoned warehouse to capture a group of "terrorists."

Some terrified residents grabbed their guns. Others ducked into doorways. The 911 line went crazy, as did Mayor Pat McCrory's phone line.

"I could barely hear the callers because of the helicopter noise and the gunfire in the background," McCrory recalled.

Neither McCrory nor his police chief was sure what was going on. But they had a clue: Three months earlier, two men in jeans and T-shirts from the secretive U.S. Army Special Operations Command had visited McCrory's office to ask permission to conduct urban counterterrorism exercises they said would go unnoticed.

Over the past three years, the U.S. Army Special Operations Command has conducted at least 21 such exercises in 21 U.S. cities — Dallas, Houston Atlanta, Chicago, Detroit, Los Angeles, New Orleans, Miami, Pittsburgh and Seattle.

In city after city, the exercises have drawn fire from frightened residents who aren't told beforehand that the several roaring helicopters flying in circles several hundred feet overhead late at night — blacked out except for one that keeps on its tiny red tail light for safety — are trying to get as close as possible to the buildings they appear about to crash into.

The confusion and fear caused by their invasion is compounded when residents see dark-suited figures sliding down ropes dangling from the choppers and then begin firing loud blanks from their assault weapons.

The simulated sound of grenades and incoming artillery often follows, as does, in some cases, the sound of real, small breaching explosives used to blast open doors.

tion, the unchanged purpose of Lenin's World Revolution, which seeks the abolition of nation states and their replacement by 'global structures'. Until the Western Governments wake up, and recognise that the enemy they face is that same ruthless Bolshevik enemy which surfaced in the early years of this century, the 'correlation of forces' will continue to shift in the revolutionaries' favour. To advance their cause, the strategists are now preparing fresh blackmail and provocations, the strategic significance of which will be lost on the Western Governments which remain blind to the dangers they face, and prisoners of their own folly.

U.S. GOVERNMENT HAS BEEN 'RECRUITED' EN MASSE

In reality, controlled criminalism is an instrument of the secret continuation of the Communist revolution, which parallels fake democracy ('democratism') and is aimed at the ultimate destruction of true democracy as developed in the West. In the United States, using blackmail to exploit the US President's criminal associations, his early CIA links and now, thanks to new secret revelations, his alleged recruitment by Soviet intelligence, the GRU/SVR has achieved *de facto* control over the US Government and key intelligence agencies, which have been collaborating to cover up Clinton's KGB pedigree — thus serving the interests not of the United States, but of Soviet intelligence.

U.S. POLITICIANS IGNORE CHINESE CRUELTY & WAR PLANS

ABORTION POLICY IS CREATING 200 MILLION MAN ARMY

Diminutive Deng Xiaoping, aptly called by some Christians, the Beelzebub of Beijing, is dead. Leaders in the United States, both present and former, lost no time singing his praises, despite the brutality of his regime. How can we so soon forget Tiananmen Square? The prisons in China have been and still are "organ mills". When a heart, liver, eye, or whatever is ordered, prisoners are executed, and the doctors are there to remove the wanted body part on the spot. Remember the revelations of Harry Wu?

Forced abortion has been a state policy in China for years, with each family limited to one child. Males are the preferred sex, and this policy has resulted in an over abundance of young males - with no young girls left to marry. By the year 2000, the missing girls and extra boys will mean that there are tens of millions of young men without the social ties of wives and children. In every culture, women have been a civilizing influence on men and society - at some point the pent up energies will have to be expended, and war may be the answer. The Bible says that there will be a 200 million man army from the east.

Hong Kong reverts to China July 1st of this year, and despite assurances that everything will remain the same, there are already signs of repression in the area. What happens when the daily lives of millions of people who are used to relative freedom start to clash with the less free system that is trying to absorb them? What happens when the arrests start? Portable assets are already at a premium - especially big diamonds. Those that are able, are quietly moving what they can out of the country.

And what of Taiwan? The saber rattling of last year was just a test - China wants Taiwan, and is taking steps to form the alliances necessary for supremacy in that region. South Africa ended its diplomatic agreements with Taiwan in favor of China. The latest Chinese move was on January 23rd, when China announced that Burma and China had entered into a joint Military agreement - this not long after an agreement with India that guarantees neutrality in some instances, and gains India as an ally on other circumstances. These agreements could interfere with Japan's sea lanes in the Indian Ocean, as China now has direct access across Burma to the Indian Ocean.

This also means that all of the land-based South East Asian nations are isolated - the four immediately affected countries are Thailand, Laos, Vietnam and Cambodia. With this China/Burma agreement, three of these nations now have political borders with China. Further south lies Malaysia, Singapore, and Indonesia. All of these nations are now exposed to Chinese pressures. **China has effectively isolated seven South East Asian nations, assuring China there will be no problems coming from that area.**

Further, there has been a political/strategic agreement recently entered into between Russia and China. This agreement assures China that Russia will be passive both politically and strategically along China's long exposed northern borders. With these moves, China is left with a clear path to invade Taiwan, or later Japan itself.

Russia has sold China seventy *Sikhoi*-27 fighters, along with a license for China to produce more itself. China has also purchased from Russia, thirty long-range *Sukhoi Su-30's*. These have the range to fly deep into the Pacific, and then turn around and approach Japan through its back door. Russia has also sold China two *Sovremenny Class* fleet destroyers equipped with cruise missiles. These vessels could be used to inhibit the North Pacific sea lanes Japan has to rely on to maintain its connections to North America. News & Views 177 Telegraph Road, Suite 421 Bellingham, Wa 98226

DISCOURAGEMENT IS PART OF CONSPIRATORS PLAN

Have you ever been discouraged when you try to get ahead in the world? Do you feel that there just seems to be too many obstacles arising from nowhere to prevent you from accomplishing your goals? I have news for you, the modern day problems that plague us all are not by accident, but by design.

The New World Order conspirators have been tirelessly striving for decades, even centuries, to create a world socialist state. In that process, their experts have found that a free people cannot be enslaved, unless they capture their minds and corrupt their lives. To conquer a nation, they concluded that they would have to control these areas: the press, education system, raise taxes and debt, control banks, buy off politicians, AND DISCOURAGE PERSONAL INITIATIVE.

The Protocols of the Learned Elders of Zion describes how the conspirators will take over the world and destroy Christianity. The protocol document was written in the late 1800's and was discovered and translated in 1905, then placed in a British museum. Almost all of the conspiracy plans laid out have already been accomplished.

One of the areas covered involved their worst fear; personal initiative. To quote from Protocol #5:

"..the success of our government is comprised of the following: To multiply to such an extent national failings, habits, passions, conditions of civil life, that it will be impossible for anyone to know where he is in the resulting chaos, so that the people in consequence will fail to understand one another. This measure will also serve us in another way, namely, to sow discord in all parties, dislocate all collective forces which are still unwilling to submit to us, and TO DISCOURAGE ANY KIND OF PERSONAL INITIATIVE which might in any degree hinder our affair. There IS NOTHING MORE DANGEROUS THAN PERSONAL INITIATIVE; IF IT HAS GENIUS BEHIND IT, such initiative can do more than can be done by millions of people among whom we have sown discord.

..whenever they come upon a matter requiring initiative they may drop their hands in despairing impotence. The strain which results from freedom of action saps the forces when it meets with the freedom of another. From the collision arises grave moral shocks, disenchantments, failures. By all these means we shall so wear down the Christians that they will be compelled to offer us international power of a nature that by its position will enable us without violence to gradually absorb all the state forces of the world and to form a super government."

It is obvious then, whenever we come across problems that makes us want to quit in discouragement, we should keep trying. When we are trying to be more independent from the system we shouldn't give up. When we are trying to get the message out to the nation we shouldn't give up. When we're trying to make a living for our families we shouldn't become despaired. The enemy wants us to give up and follow the crowd. He wants average Joe sixpack to continue being a couch potato and not to stand up for what's right. The conspirators for a one world

government want marriages to break up, children to run wild, and for citizens to stray away from God. They want us to be disunited and living in chaos. Simply because, in that state we are no threat to their eventually takeover of our nation.

Most of the conspirators WANT TO SEE YOU FAIL. THEY WANT YOU TO BE DISCOURAGED. THEY WANT YOU TO GIVE UP TRYING

Most of all, the conspirators WANT TO SEE YOU FAIL. THEY WANT TO KEEP YOU DISCOURAGED.

But, what does God want us to do? What does the Bible say?

Ps. 119:95 "The wicked have waited for me to destroy me: but I will consider thy testimonies."

Deut.1:21 "Behold, the Lord thy God hath set the land before thee...fear not, neither be discouraged."

Is. 41:9-13 "...Thou art my servant; I have chosen thee, and not cast thee away. Fear thou not; for I am God: I will strengthen thee;..For i the Lord thy God will hold thy right hand, saying unto thee, fear not; I will help thee."

Is.42:1-4 "Behold my servant, whom I uphold; mine elect, in whom my soul delighteth; I have put my spirit upon him;..he shall bring forth judgement unto truth. He shall not fail nor be discouraged, till he have set judgment in the earth;"

Ps. 27:14 "Wait on the Lord: be of good courage, and he shall strengthen thine heart:."

Ps. 32:8 "I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."

Ps. 37:1-9 "Fret not thyself because of evildoers, neither be thou envious against the workers of iniquity. For they shall soon be cut down like the grass, and wither as the green herb. Trust in the Lord, and do good; so shalt thou dwell in the land, and verily thou shalt be fed. Delight thyself also in the Lord; and he shall give thee the desires of thine heart. Rest in the Lord, and wait patiently for him: fret not thyself because of him who prospereth in his way,..For evildoers shall be cut off: but those that wait upon the Lord, they shall inherit the earth."

(also Ps. 91)

II Tim.1:7 "For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind."

These are just a few Scriptures dealing with discouragement and how God takes care of His people. In today's world more than ever we need to stay encouraged. We must realize that God knows what is going on and wants us to be victorious. It is important that we be aware of the enemy's plans so we avoid the pitfalls they dig for us. Whatever the conspirators want, we should be against. If they want us to fail, we should try harder to succeed. The over-confidence of the enemy will eventually be their downfall and they will be destroyed by their own evil devices. In the meantime, our job is to put on the armor of God and be encouraged that He has everything under control. God does not want His people to be disenchanted and discouraged with the world, He wants us to overcome the world.

Federal Agencies to Cease Issuing Treasury Checks for Employees

NEWS from Accounting Services, Budget, PSDS, and Statistical Programs

Effective May 16, 1997 or possibly a later date, the US Postal Service and the federal government will cease issuing US Treasury checks in all financial transactions except Social Security Disability checks and income tax refunds. This will include all postal salary checks, retirement (including military retirement) and disability checks. The effect of this change on postal employees is that those employees who do not have direct deposit will have their checks issued by commercial banks. Normally, commercial banks require several days' delay before crediting the amount to personal accounts. This is compared to the current USPS checks, which are issued by the US Treasury and are deemed available for payment upon presentation. Employees with direct deposit will continue to have immediate access to their funds. The intent of this change, enacted by Congress, is to change all federal payments to direct deposit and force federal and postal employees and retirees to initiate electronic transfer of funds.

This change is not prompted by a postal management decision but is in compliance with the law as amended in the Omnibus Budget Resolution of 1996. The Postal Service has no choice but to comply and all employees, including managers, will be affected. Research by Terry Cook, 61535 S. Hwy 97 Unit 9, Suite 238 Bend, OR. 97702

While waiting for the "RIGHT" time, the "APC" is ORGANIZING and FUNDING the drive to return Congress to "FRIENDLY" DEMOCRATIC control.

Will this diabolical plan work? Probably. The majority of U.S. voters watch, listen to and read the LIBERAL controlled MAJOR MEDIA news and believe it is the truth. It's not too late but the voters must wake up soon or we will be governed by the UNITED NATIONS. Wash. Report, P.O. Box 10309 St. Pete, FL.

LETTERS TO THE EDITOR

Dear Mr. Eaton,

The tape you sent me on "Germ Warfare in the U.S.?" by Larry Harris is shocking & makes one sick, knowing what is planned for America's destruction. I teach Bible prophecy all across America & use a lot of the information gathered from tapes, books, etc, trying to warn the American people to get right with our Lord & Saviour, Jesus Christ, but seems like very few are taking heed. But, we have to keep on anyway - we are certainly living in the last of the last days upon this earth. MS

Dear Mr. Eaton,

I am glad you stick up so well for the truth. I never knew what was going on until I read the Patriot Report. Well, I never really understood what was going on. But I've learned a lot & I know you can't accomplish anything unless you have the strength of God. You, me & all the American patriots have that & the NWO conspirators don't. So that's why we will have our freedom & country back as we once did. I am glad I am finding out the truth when I am young so I can be prepared. I am 15. Iowa

Dear Iowa,

Thank you very much for your letter & donation to help us publish the Patriot Report. I appreciate your patriotism & dedication to defend liberty & truth. It is people like you that are making a difference in America. As more citizens wake up to what is happening, we are becoming a force that is changing the nation towards true patriotism. Keep reading about the conspiracies against our nation & some day you may be instrumental in defeating world socialism & re-establishing our constitutional Republic. (Your donation meant a lot to me because I know it came from your heart. A little that is given by those who don't have much has a lot of value in God's eyes. Mark 12:42-44.)

George

George,

I have ministered on the House of PRESENT TRUTH MINISTRY

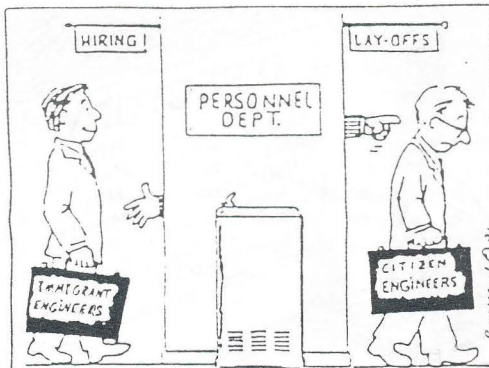

Israel for the last 22 years & it is what the people need to hear. I am of the House of Benjamin, my wife if of the House of Judah. We have been married 60 years & we pray we will be here to welcome our Lord Jesus when He comes again, which we know by the signs all around, is coming close. Pray for us & we will pray for you that more people will wake up & see what lies just ahead. Indiana

Dear George,

Two weeks ago a woman told me that the local bank told her, that in 2 years all persons receiving Soc. Sec. checks would only receive checks by direct deposit to their bank. Last week I asked the clerk if this were so & she confirmed it. She further stated that the bank employees had been informed of this by IRS officials at a bank meeting. She told me, however, that the IRS said, "by the year 2000." It will be interesting to see how this plan is worked with the homeless. The year 2000 grows more ominous every day. Washington

Dear Sir,

Thank you for the truth, we really have to stay in the walk of Jesus to know what steps to take now in these troubled times. As we see, right is called wrong, & wrong right. We have to have the great higher power of God to direct us as we treat others as we would like to be treated. God help us do it right. And as I walk each day with Christ, I appreciate your truth & love for others. God bless you & keep the Truth ministry in His care forever. Georgia

Dear Mr. Eaton,

My family loves to read your newsletter from cover to cover each time that we receive it. One of our sons plans to use some information from your newsletters in his senior term paper, & in his graduation speech. All of the books that he found in the public library about the coming One World Government are in favor of it, of course. Information for him to use for his term paper & speech is difficult to find without spending a lot of money. Thank you so much for sending your great newsletter to us even though we are unable to pay for it. We pass on what is in your articles to many others, but most people don't want to believe the truth. We appreciate all of your long hours of research & hard work, & we pray for your safety, knowing many do not want us to hear the truth. Keep up the great work! Colorado

Dear Patriot Report,

Thanks so much for sending me your monthly newsletter. They have been so informative. (One certainly cannot find the information that you publish in the mainstream media) I am especially disturbed about the immigration crisis facing our nation as well as the friendly, open relationship that the White House is making with Red China.

Even though the present situation looks gloomy, we need to keep trusting in Christ. Thanks so much & God bless you all! Arkansas

Dear Sir,

You have done me a very great service & I cannot thank you too much. This report by Larry Harris is what I really needed. I will see what I can do to make this information more widespread. People, who are willing to act, deserve to know. Mr. Harris should be a guest on the Art Bell show. The people who listen to that show are searching. Thank you so much. I have 5 sons & a daughter. LETTERS TO THE EDITOR

Dear George,

In the Feb. 97 issue was a letter from a Veteran. Knowing that you are very busy, perhaps my answer will suffice to provide info to the Veterans.

There is a well-known quote from Stephen Decatur: "Our country, right or wrong." Many Veterans, particularly those who served in combat & are decorated, get the notion that their service entitles them to rest on their laurels, & that no matter what, "America is right." (Meaning the government.) Many people do not realize the rest of Stephen Decatur's statement: "Our country, right or wrong, BUT WHEN NOT RIGHT, TO BE SET RIGHT."

In 1991, knowing the folly of the Gulf War - to secure oil for big companies, for British interest, & to establish credence for a New World Order - we established a Veteran's group. We call it "Veterans against the New World Order" - (VANWO). As the years progressed, we enlarged this to Veterans & Volunteers against the NWO.

We found that meeting as a group & directing orders for projects was useless. The proper workable concept is this: Be a Committee of One. The enemy fears one person, dedicated operatives most of all. Next, they fear two to six person teams. In the Marines, we called this a fire team. Have a Captain, a Lieutenant, & the rest Sergeants (if they have had military training.) The non-veterans, if any, are Privates, under 18. Adults are Corporals until they learn tactics, then they are promoted as to ability.

The concept of "leaderless resistance" with no more than 6 members, works only if everyone concerned is 100% & can trust the others with their lives. Stand for the U.S. Constitution & the Holy Scriptures.

We veterans can do many things. The most beneficial, at this time, is to get Patriot Reports in bulk & distribute them everywhere. It is currently the best tool.

PRESENT TRUTH MINISTRY

When & if the trouble starts, all we need to do is remember our oath of loyalty to the U.S. Consitution & the skills which we learned in the military, regardless of branch of service. Arkansas, ex Marine Sir,

In 1988 the Lord showed me a storm on the horizon. In 1993, I was walking about my home thinking on the storm. The Lord spoke to me & said, "It's coming sooner than your think!" Put back non-perishables! God told me to move to the country & buy an old two-story. He told me it was going to be full of Christians. We are getting ready for a storm.

Except there be a II Chronicles 7:14, we will all perish. But God's Word says there will be a remnant left when He comes. Don't have any doubt about it, He will come!

Jesus is the way, the truth & the life. No man cometh to the Father but by Him. Except ye be born from above, ye shall not see the Kingdom of God. Time is short. Tell the people to put on the Spirit of God. We need His armor. Praise God, He is coming! California

Dear Mr. Eaton,

"Background to Betrayal" (by Col. Jack Mohr) has really helped to put all the pieces of the puzzle together. As I read your editorials I really feel your sense of dedication & passion to our cause & as I ponder your words I know that the Spirit of Christ is with you. I also receive other newsletters but they are not as spiritual as yours.

After the Oklahoma City thing I searched for the truth. After I woke up I got on my knees & asked Christ to come into my life & guide me with the Spirit. I started telling my co-workers about the coming chaos, trying to warn them as best I could. Then one day after I arrived home from work I felt that I may be overdoing it a bit & thought I should back off & keep quiet. Just then a voice came into my chest & said "go full speed."

I obeyed. When someone starts telling everyone who will listen,

the governments most secret plans, it draws their attention. The harassment was unceasing. They tried every trick in the book to move me off center. As all this began I resolved NOT to come off center. We have a few years of struggle ahead of us, but it is a comfort to know that "victory is assured."

Utah

Dear George,

I'm very closely following your articles on UFO's in the Patriot Report. Satan can deceive many people using UFO's & aliens. thanks for helping to cover stories on UFO activity!

Ohio

Greetings Mr. Eaton,

I received your words of 5/8/97 today & I want to thank you for taking the time to respond to my letter. It helps to talk with someone on the outside at times. Thanks for listening, continue your great work, in the name of the most high Himself. Thank you George.

Prov:16:3: "Commit thy works unto the Lord, and thy thoughts shall be established."

Ex:15:3: "The Lord is a man of war, the Lord is His name."

Ex:23:24: "Thou shalt not bow down to their gods, nor do after their works: but thou shalt utterly overthrow them, and quite break down their images."

Ex: 23:32: Thou shalt make no covenant with them, nor with their gods."

Response: Thank you for your letter! I appreciate all the scriptures you sent me. They encouraged & uplifted me. Most people don't take the time to understand the essence of the scriptures. There is a lot of truth in the Bible that is timeless. God knew what He was doing, & those who follow His example are wiser than the world. Knowing truth is it's own reward even if we don't see God's vindication. We can rest assured that God will be victorious along with His children who walk in His footsteps.

George

MARK OF THE NEW WORLD ORDER

Is there a plan to identify everyone with an electronic "biochip" injected into our bodies? Will only those implanted with this unique electronic identification mark be permitted to "buy and sell" while the rest of us are hunted down as "outcasts" in the coming global government called the New World Order?

Is Big Brother's cashless economic system of global electronic enslavement here now and ready for implementation? What is the technology that will be used to control all of our buying and selling by the year 2000?

This extremely bold and shocking video will address all of these questions and more. it will explain clearly how existing and developing technology will be used to identify and control each and every one of us in the soon to be implemented global system of socialistic tyranny called the New World Order! 60 min. video...\$20 (not a copy. 30 MILITARY FAMILIES SUDDENLY LEAVE U.S.

Col. Jim Ammerman is the military chaplain that has been exposing what is going on in the military concerning the plans of the one world conspiracy. In a recent interview on short wave radio with Chris Gerner, Col. Ammerman reveals that some of his air force friends have sold their homes and their cars and have suddenly moved their families out of the 48 states. They could not reveal exactly what they were told, but they did say that they saw orders or plans that something was going to happen in America, and when it did there could be a 50% death rate nationwide. They decided to leave the country, and wouldn't say where they were going. This a riveting interview from a very credible Christian military man.

NOTE TO READERS

I would like to thank all of you who support this newsletter, without you it would literally impossible to publish the Patriot Report. It is a constant struggle to make ends meet each month. I try to find the best new videos, cassettes and articles to offer, and hope that the proceeds will keep the Patriot Report going another month. Unfortunately, the past two months the expenses were one third higher than the support that came in. It doesn't take a genius to figure out that if this pattern continued, this publication would be forced to make major changes or discontinue publishing.

This news service exists because a few dedicated Americans have sent extra money in every month to keep the Patriot Report going. Without your extra donations, above the sales of a few items we would be immediately out of business. This ministry started in 1992 and we will have published this newsletter 5 years this October. And it's all because of you. This has been a team effort to gather information from across the nation and the world to expose the new world order and wake up America. You count on me to gather information and print and send out the Patriot Report, I count on you to send me news clippings, reports, and photos, and financial support, and the Christian patriots of this nation count on us to bring them the real news. We're all working together to make a difference in our nation.

I want to thank all of you for supporting this work and allowing me to provide you with the news the liberal news media refuses to publish. It is a humbling experience to read the letters from the sincere Americans that write me each month. One family in particular has supported this ministry with 10% of their income for quite some time now. I didn't know these people, but finally had the opportunity to meet them in person at their home in Idaho last year. The father was a lumber mill worker and the mother home schooled their children. I asked them why they supported me, and he said, "If we don't tithe we simply don't have good luck." They were tithing to this ministry as unto the Lord because they wanted a blessing from Him. Little did they know that their tithe has made the difference in publishing each month or not. Another supporter is a retired Colonel who sends a check each month out of his government pension. Another one is a uniform & linen service in Texas, and another supporter is a large family in Missouri with the father a carpenter. I appreciate each one of them because they have granted me the opportunity to publish the information the entire nation needs to know.

If the support stays at the level that it is right now I will be forced to reduce the size of the Patriot Report or publish bi-monthly (every two months). I'm also going to discontinue charging postage. Only about half of those who send in orders pay the postage. Some

time ago I lowered prices and came up with postage rates. It simply didn't work. From now on I'll price the items to include postage.

Keep this publication in your prayers. God Bless!
George Eaton

DISCOVER NEW 'PATRIOT' MUSIC

Millennium 7 music is an excellent way to reach those who have a limited knowledge of the patriot movement. If grand parents want to see their grand children get involved in the patriot movement and to become better Christians, this is the perfect gift for them. If Mom and Dad want to see their teen age children become more aware of patriotism, this is the music that will reach them. If you want your friends and relatives to have a deeper understanding about the tyranny we are already under, this music will tell the story they need to hear.

Since the release of the new music album, patriots across the nation have been ordering the cassette. Because of the success of this project we will be putting another album within a year. We also plan to play this music on short wave radio and on FM Christian radio stations.
